Bible Story

John 1:43-51

Nowadays, you can find almost anything or anyone online. You can see what famous people are up to on their social media pages. You can find out any information you want to know with just a few keywords and mouse clicks. So the internet might be a “know-it-all” . . . but how much do you know?

Just because you know facts about someone, does that mean you actually know them? Not always. We can know things about people without knowing them very well, or at all.

Today we are going to talk about what it means to really know someone and also, for someone to really know us!

While Jesus was about to leave town, Phillip, a follower of Jesus, was so excited about Jesus that he told one of his friends, Nathanael, all about Jesus.

Phillip told Nathanael that Jesus was the Savior they had been waiting for. And even though Nathanael was nervous, he decided to go meet Jesus for himself.

Before Nathanael even said a word, Jesus greeted him like an old friend and mentioned things about Nathanael that only Nathanael would know. Jesus said he saw Nathanael under a tree before Phillip went to talk to him.

We don't know if Jesus actually saw Nathanael, and we're not even sure if Jesus is even talking about the same day. But we do know Nathanael is very surprised to hear this from Jesus.

There was no internet back then, so Jesus couldn't have looked up facts about Nathanael, used satellite images, or anything like that. Nathanael knew the only way Jesus knew so much about him was that he had to be the Son of God, and the Savior everyone had been waiting for and talking about.

You know what the great thing about God knowing everything about us is? We don't have to hide anything from God. God knows what we are thinking and understands us the best!

Jesus knows us.

Look into your mirror and carefully examine your face.
God made each feature on your face on purpose.

Our world has different standards for what they think makes someone attractive, but know this – each of you are unquestionably beautiful because you are God's creation.

Keep your mirror with you and remember that Jesus doesn't just know you. He knows all about you and loves you so much.

How does it make you feel knowing Jesus knows you so well?
